This Esquire-approved bar is none other than Andra Hem in the City of Brotherly Love. This Scandinavian-inspired cocktail lounge looks like a posh hideout where James Bond would kill some time. The menu is full of old classic cocktails that include the Bee's Knees. The cocktail program is designed by Patrick Jennings. There also are food options including potato pancakes, charcuterie and cake.

218 S. 16th St., Philadelphia; open Wednesday through Saturday, 4 p.m. to midnight. Visit [andrahem.com](http://andrahem.com) or (215) 545-0823.
